# how are you going to use your images?

---

## **Have you asked yourself where your portraits will live within your home?**

Whether it's a statement piece above the sofa, down the hallway or smaller portraits for shelves and side tables.

The images we create for your home need to suit your decor, colours and future plans together for your wall displays. Answer these few questions to help you plan ahead.

Where do you plan to display your portraits?

What does your home design look like?

How can your displays evolve over the next few years as your family changes?

Who do you want to give gifts to?

By planning with intention, we create more than just beautiful portraits. We create lasting reminders of the people and moments you never want to forget.

## **Payment Process:**

Your session fee of £95 is due at the time of booking, securing your spot for 2 weeks before and 2 weeks after your due date. Your Package Payment is due at your viewing appointment typically 2 weeks after your newborn session.

**Please Note:** As our products are bespoke and commissioned by you, and cannot be resold, all sales are final with no refunds

# plan your walls

## How to plan your wall display

- 1: Choose the wall or space where you'd love your portraits to live.
- 2: Use paper cut-outs to map out the size of each frame.
- 3: Tape them lightly to the wall so you can step back and see the layout.
- 4: Try different arrangements until the display feels balanced.
- 5: Take a quick photo of the wall and bring it to your viewing appointment.
- 6: Together, we'll use this as a guide when choosing your final artwork.
